

When registering in your account, you will be given a referral link, by which is automatically charged 10% of the funds paid for tokens DAGNet, a person which is registered on it.

In addition, you can enter into an agency agreement and obtain a power of attorney, represent the interests of the DAGNet project in your region (which is much more effective when work with professional investors).

To do this, you need to send your short message to the mail support@dagnet.one resume (qualification, experience, etc.) and pre-proof the identity document (required for drawing up power of attorney). After studying, in the reply letter you will be provided with all necessary documents and additional materials.
